## WELCOME!

The 2011-2012 season is shaping up to be another strong one for the Jr. Coyotes Travel program. Over the past years, we have slowly built a very solid hockey association of which we are very proud of here in Arizona. Many of our top AAA teams have competed well nationally and our young teams continue to grow and develop into some of the best talent in the state.

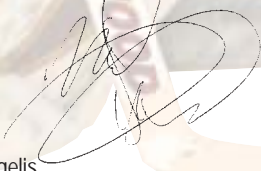

Mike De Angelis  
Director of Travel Hockey

This past season the Jr. Coyotes completed an amazing year at the T-1 level, as our teams won the 12U, 14U, 16U and 18U state titles. Many of our top Midget players who competed in the Tier 1 Elite League were exposed to many college, junior and pro scouts and we are expecting many of them to advance to the next levels past youth hockey.

We had a special group of young guns this season at the Mite level, with the Jr. Coyotes 02's winning the International Silver Stick Competition. This prestigious tournament involved many top American and Canadian teams and may be a preview on the calibre of talent coming from the sunbelt states.

Our travel program was successful at many levels this past year, but I am most please about how our coaches handled their team's development and growth with offering a tremendous youth hockey experience. This coming year will be another filled with many exciting challenges and accomplishments, but our goal, as an association, will remain steady with the positive youth environment we produce here at the Ice Den. We will welcome many new families to our group during the try-out process and will again field our top level teams for the coming campaign. The Jr. Coyotes/CAHA brand will continue to be synonymous with excellence on and off the ice.

Mike De Angelis  
Travel Hockey Director

## PHOENIX JR. COYOTES ELITE AAA

### 2011-2012 PHOENIX JR. COYOTES MIDGET TIER 1 ELITE HOCKEY LEAGUE TEAMS

The Phoenix Jr. Coyotes Travel Program is proud to continue our involvement in the Midget Tier 1 Elite Hockey League again this season.

Many consider the Tier 1 Elite League the top organized youth hockey league in the country with many Junior, College and Pro scouts combing the showcases for talent across the country.

This season the Jr. Coyotes will field teams at the U16 T1 and U18 T1 levels that will compete against some of the best players and programs.

Some of the top organizations with whom the Jr. Coyotes will align include Belle Tire- Detroit, L.A. Selects, St. Louis Amateur Blues, Dallas Stars and the Colorado Thunderbirds.

The goal of our Elite League teams is to utilize the benefits of the strength of play along with all the scouting opportunities that are made available to our kids. We want to support and promote our players to top Junior Leagues and offer them a place to continue their journey to obtain a U.S. college scholarship or Major Junior opportunity in Canada.

By the top Midget AAA kids playing in the Tier 1 Elite Hockey League, they will only be given more exposure, development and consideration than ever offered in Arizona.
